Past performance may or may not be sustained in the future. Inception Date: November 03, 2006
Returns are calculated for Regular Plan Growth Option.
The Fund offers flexible and convenient Systematic Investment Plan (SIP) facility. To illustrate the advantages of SIP investments, this is how your investments would have grown if you had invested say ₹ 10,000 systematically on the first Business Day of every month over a period of time in the Respective Scheme by using XIRR approach. XIRR helps in calculating return on investments given an initial and final value and a series of cash inflows and outflows with the correct allowance for the time impact of the transactions. Data as on September 30, 2026.
1.Periodical SIP Performances (1Yr, 3Yrs, 5Yrs, 10 Yrs & 15 Yrs) are computed considering SIP Investment on 1st business day of every month.
2."Since Inception SIP" performance are computed considering 1st instalment on allotment date and thereafter on 1st business day of every subsequent month.
Disclaimer: The above investment simulation is for illustrative purposes only and should not be construed as a promise on minimum returns and safeguard of capital. The AMC / Mutual Fund is not guaranteeing or promising or forecasting any returns. Investors are advised to consult their financial advisor/consultant before taking any investment decision. SIP does not assure a profit or guarantee protection against a loss in a declining market. Please refer SID of the respective Schemes before investing.
